Permits and licensing in the host country stay with your local advisers.

01

1 · Partnership call

The land, the crop, your timeline.

YOU LEAVE WITH
A clear yes or no on fit

02

2 · Feasibility

Soil testing, crop fit, business plan and budget.

DECISION POINT
Go, adjust or stop. Nothing is built before you decide.

03

3 · Design, build, operate

Structures from our plant, planting, local team, agronomy, harvest.

YOU LEAVE WITH
A producing farm

01
Setting up on site

02
Marking the pole lines

03
Galvanized poles

04
Tensioning cables

05
Spreading the net

06
Ready for planting

Bananas in Israeli net houses

+30%
productivity

~25%
water saved

Elingold et al., Horticulturae 8:619, 2022.

Europe keeps buying more

~920,000 t
EU avocado imports 2025, up ~15%

~5.2 Mt
EU banana imports 2024

FAO market reviews, 2025 and 2026.
